

Position - Web Designer

Collaboration Reverberation (CR) is looking for full and part time web designers. We are seeking individuals who are passionate about web design with 2+ years experience. Designer should have experience in working with both new and existing brands with the gift of original thinking. Position does not require knowledge of programming languages but should understand traditional web practices, web 2.0 design and emerging trends. He/she must have excellent communication skills, be a team player, and able to work in fast-paced production environment.

Responsibilities

- Ability to interpret wireframe and site architecture docs into static UI comps
- Responsible for meeting expectations and deliverables on time and in high quality
- Work with creative director, project managers, and independently to ensure designs are inline with overall creative direction
- Ability to design within guidelines of brand the standards
- Design should be clean, structured and of quality
- Produce all necessary design elements, assets, templates, pages, and graphics for programming purposes.
- Implement design feedback and revisions
- Bonus. Ability to create site architecture
- Bonus. Ability to wireframe

Skills and Requirements:

- 2+ years web design experience
- Photoshop, Illustrator and typography
- Equal part confidence and humility
- Strong conceptual thinking, both visual and interactive
- Ability to execute different design styles
- Knowledge of current web design trends and techniques
- Passionate in regards to your work and executing it to perfection
- Clear understanding of information architecture
- Good interoffice and client interaction skills
- Organized and meticulous with tasks
- Ability to see and communicate the creative vision to the team and the client
- Solid understanding of navigation and UI for maximizing usability
- Ability to manage time and meet project deadlines
- Knowledgeable of web browsers and their limitations
- Good understanding of general design principals
- Ability to create and design on a grid
- Good time management skills
- Ability to prioritize tasks based on impact and communicate issues/resolutions to team
- Bonus. Passion for non-profit and ministry related work

About CR

We are a full-scale creative agency known for producing and managing effective brands through a broad range of services. Our work has been seen on the New York Times Best Seller List as well as in our own local neighborhood. Collectively and individually our team has worked for such brands as Coca-cola, Billabong, TaylorMade, and Hitachi to name a few.

We provide competitive compensation, benefits, 401k for full time employees, and are headquartered in San Diego's East Village.
